

# Wiktor Małyska

📍 Lubartów, Lublin Voivodeship, Poland

☎ +48530386532

@ [wikormalyska03@gmail.com](mailto:wikormalyska03@gmail.com)

## Key Skills

- **Java Development:** Proficient in Java, with experience in creating Minecraft plugins using Spigot and Fabric API.
- **Web Application Development:** Experience in ASP.NET for web application development and jQuery for front-end functionality.
- **C# Development:** Practical experience in web infrastructure modernization and application development using ASP.NET.
- **Server Customization and Infrastructure Management:** Skilled in configuring and managing a personal server on Ubuntu, including network and application management.
- **Application Development and Automation:** Proficient in creating applications with Docker, Jenkins, Spring, and React, enabling efficient automation and deployment in production environments.
- **Team Collaboration:** Strong teamwork skills developed through active participation in university projects and freelance work.

## Certificates

- **Java Basics**
- **C++**

## Languages

- Polish - Native
- English - Fluent

**Junior Java Developer** with hands-on experience in software development, gained through both freelance work and team projects. Currently studying Computer Science at Maria Curie-Skłodowska University in Lublin, where I have acquired a solid foundation in object-oriented programming and web application development. I am determined to advance my Java skills and collaborate on projects that have a real impact.
